Dear Dean,

25X1A

Reference your phone conversation with  concerning filters for the A-3 antennas.

It is agreed that the depot will accept the nineteen (19) each filters that you have on hand in lieu of twenty (20) each as prescribed in Contract A-101.

Please advise the contracting officer of this change and the dollar amount that should be credited to customer number 3 for the deletion of one (1) each filter.

Should requirements develop in the future for these A-3 filters, they will be procured by Production List.

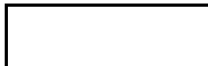

Sincerely,

25X1A

is furnished:

25X1A
